City of Highland Community Trail Sponsorship Program

The City of Highland City Council and Community Trails Committee has created a new Community Trails Donation Program called "Mile Makers." Money donated to the Mile Makers Program is utilized for Maintenance of the Community's Multi-Use Trails System.

Donations can be made in two different categories:

- With a one-time \$100.00 donation to the Mile Makers Program, your Family, Group, or Company Name will be placed on a Sign within the City's Community Trails System. The Sign is approximately six inches wide by eight inches tall (5.5" x 8"). These Signs will be mounted to the white rail trail posts.
- With an annual \$1,000.00 donation to the Mile Makers Program, your Family, Group, or Company Name will be placed on a Sign at one of the City's Trail Heads. The Sign is approximately twenty-four inches wide by eighteen inches tall (24" x 18"). These Signs will be mounted to their own post.
