VOLUNTEER SERVICES

BLOOD DRIVE COMMITTEE

January Blood Drive! - Donate blood on Monday, January 25th from 1:30pm to 6:30pm at the Highland Police Station, 26985 Base Line. Donors earn donor loyalty points with each donation which can be redeemed at LifeStream's online donor loyalty store for items and gift cards. In addition, LifeStream has added additional incentives for O- Negative donors...see below!

PLAN YOUR 2016 TODAY! - You HAVE O- NEGATIVE BLOOD AND WE HAVE A PROGRAM DESIGNED JUST FOR YOU. You're a universal blood donor which means your red cells can be **GIVEN TO ANY PATIENT**. For local hospitals, O- is the most sought after blood type. **They need you.** For local patients, your donation could mean the difference between life and death, when seconds count, **they need you.**

You're among a select few – 7% - who have O- blood. **You are a rare gift for the community.** 1 in 4 of us will need a transfusion in our lifetime; but if you need blood, *you require* O- blood. Because you're so important to our community, LifeStream has created the **Universal Rewards Program exclusively for you!** There is no adding up points, and no waiting – each time you give blood in a calendar year, you bag something special – **just for you.**

HIGHLAND IMPROVEMENT TEAM

Join us this Saturday, January 16th for our first HIT project of 2016. Volunteers will be participating in a sandbag project aimed at assisting senior and disabled residents during the rainy season. We will be working on this from 8am to noon. Volunteers must provide their own transportation on this day as we will be traveling to a few different locations.

Interested volunteers can call Volunteer Services to sign-up or they can sign-in the morning of the cleanup from 7:30am to 8:00am at Highland City Hall located at 27215 Base Line. Please contact Volunteer Services for more information at 909-864-6861 extension 203.

ADMINISTRATION

Just as important as putting your supplies together is maintaining them so they are safe to use when needed. Here are some tips to keep your supplies ready and in good condition:

Keep canned [food](#) in a cool, dry place.

- Store boxed food in tightly closed plastic or metal containers to protect from pests and to extend its shelf life.
- Throw out any canned good that becomes swollen, dented or corroded.
- Use foods before they go bad and replace them with fresh supplies.
- Place new items at the back of the storage area and older ones in the front.
- Change stored food and [water supplies](#) every six months. Be sure to write the date you store it on all containers.

Emergency Preparedness Maintaining your kit

- Re-think your needs every year and update your kit as your family's needs change.
- Check batteries. Throw out any that are corroded or discharged and replace with fresh ones.
- Check medication and first aid items. Throw out any that are beyond their expiration date and replace.
- Keep items in airtight plastic bags and put your entire disaster supplies kit in one or two easy-to-carry containers, such as an unused trashcan, camping backpack, plastic tote bin or duffel bag.
