Volunteer Services

Public Safety Appreciation Week. Last week the City of Highland celebrated its Tenth Annual Public Safety Appreciation Week. Community members, businesses and City staff shared lunch with Highland Police Officers and Fire Fighters throughout the week. The

community is invited to join in a potluck lunch each day beginning with the Police Station. The lunches continue the second day at Fire Station #1, Fire Station #2 on the third day and concluding the week at Fire Station #3. The support shown by residents, community members, businesses and City employees was tremendous.

Thank you to all those who so generously contributed in making these luncheons a successful event. Also, thank you to all police and fire personnel for welcoming us in to their busy schedules and for all their assistance during the luncheons.
