Highland Improvement Team

Residential Cleanups Wanted...

The Highland Improvement Team (H.I.T.) is

currently accepting requests for residential cleanups. We urge Highland homeowners who need help with yard cleanup and minor landscaping to contact Volunteer Services as soon as possible.

Requests are screened and scheduled on a first come, first served basis. *Our mission is to improve the overall environment of our city for all residents and businesses.* Top priority is property cleanup projects for disabled and senior citizens. There are no income eligibility requirements and absolutely no charge to the homeowner. A fabulous team of volunteers complete all work and repair at H.I.T. projects.

Here are the few qualifications:

1. Must be 55 years and older or disabled
2. Must own and reside in your home

The Highland Improvement Team schedules one cleanup per month. Each cleanup requires enough work to fill the allotted four-hour period, usually from 8:00am to noon.

If you are interested or want to know if you qualify, contact Volunteer Services at 909-864-6861 extension 203.

Highland Community Blood Drive

Blood Drive a Success...

This past Monday, July 25, 2011, the City of Highland in cooperation with LifeStream hosted another community blood drive at the Jerry Lewis Community Center.

The demand for blood never stops. We need to collect at least 600 units of blood a day to ensure that our local hospitals get the lifesaving treatments they need. Giving blood provides community members with the opportunity to contribute a lifesaving donation. Due to our wonderful community donors, Highland brought in 43 registered donors. With 14 deferrals, our blood drive was able to bring in 29 units of blood

for the community!

The success of each blood drive is possible with the help of our wonderful volunteers, Cindy Calvert, Pearl Crump, Harriet Foucher, Audree Kraemer, Ada Scott and our newest volunteer Stefani Chavez and the fabulous staff from LifeStream. A special thank you to the Highland YMCA, for providing all of the conference rooms, tables and chairs used during the blood drive.

Mark Your Calendar! The next community blood drive is set for Monday, September 26, 2011. Please join us and help Highland increase its blood donations.

Should you have any questions or like to volunteer your time, please contact Denise Garnsey at 909 864-6861 extension 203.
