## Volunteer Services

**Community Blood Drive** - On Monday, July 25, 2009, the City of Highland in

cooperation with LifeStream (formerly the Blood Bank of San Bernardino and Riverside Counties) hosted its community blood drive at the Jerry Lewis Community Center.

The demand for blood never stops. We need to collect at least 500 donations a day to ensure that our local hospitals get the lifesaving treatments they need. Giving blood provides community members with the opportunity to contribute a lifesaving donation. Due to our wonderful community donors, we brought in 50 sign-ins and 7 deferrals, providing 43 units of blood.

The success of each blood drive is possible with the help of our volunteers, Cindy Calvert, Pearl Crump, Harriet Foucher, Eileen Gutierrez, Audrée Kramer, Ada Scott, Yolanda Werts and Sylvia Yzaguirre and the staff from Lifestream (formerly the Blood Bank of San Bernardino and Riverside Counties) who perform a great job.

A special thank you goes out to Ursula Walsh, Executive Director at the Highland YMCA, and her incredible staff for providing all of the conference rooms, tables and chairs used during the blood drive.

Mark Your Calendar! The next community blood drive is set for Monday, September 28, 2009. Remember, blood drives now take place from 1:30 p.m. to 6:30 p.m. Come out and show your support by bringing family and friends to make a lifesaving donation. Let's help Highland increase its blood donations. Should you have any questions or like to volunteer your time, please contact Denise Garnsey at 909 864-6861 extension 203.
