On September 8, 2009, the City Council declared two (2) vacancies on the Community Trails Committee and directed the City Clerk to advertise the vacancies. The City of Highland Community Trails Committee consists of five (5) residents and meets on the second Thursday of each month for the purpose of making recommendations to the City Council regarding the development and maintenance

of a community trails system within the City and its sphere of influence. Two vacancies have been declared by the City Council. The terms of office for the vacancies will expire October 2011. The Government Code provides that the City Council may fill said vacancies by appointment.

Volunteer Services

The Highland Improvement Team (HIT) clean ups scheduled for September and October have been cancelled due to unforeseeable circumstances. Our Highland resident scheduled for September has had to cancel his clean up due to a personal conflict.

Immediately, the resident scheduled for our October clean up was contacted to see if she would like to fill the September opening. Unfortunately, she is not available to host a clean up in September and in addition, has had to cancel her October clean up due to personal reasons. She will contact us to reschedule for a later date.

The Highland Improvement Team will surely miss helping these Highland residents at this time. We are eager to reschedule them soon.

The Highland Improvement Team will resume our regular clean up projects in November. Please be on the lookout for more information on the specific details.

If you have any questions about joining the Highland Improvement Team or would like to inquire about qualifying for a HIT clean up, please contact Denise Garnsey, Volunteer Services, at 909-864-6861 extension 203.
