September Blood Drive... On Monday, September 26, 2011, the City of Highland in cooperation with LifeStream hosted its 5th blood

drive of the year at the Jerry Lewis Community Center. Due to our wonderful community donors, we brought in 31 sign-ins and 3 deferrals, providing a total of 28 units of blood.

The demand for blood never stops. Our region needs to collect at least 600 donations a day to ensure that our local hospitals get the lifesaving treatments they need. Giving blood provides community members with the opportunity to contribute a life saving donation.

The success of each blood drive is possible with the help of our wonderful volunteers, Cindy Calvert, Pearl Crump, Audrée Kraemer, Ada Scott and our newest volunteer Anna Cox and the great staff from LifeStream.

A special thanks goes out to Rob Hinderer, Executive Director at the Highland YMCA, for providing all of the conference rooms, tables and chairs used during the blood drive. Rob also took time out of his busy schedule to donate "The Gift of Life" at our blood drive.

Mark Your Calendar! The last community blood drive for this year is set for November 28, 2011 at the Jerry Lewis Community Center. Come out and show your support by bringing family and friends to make a lifesaving donation. Help Highland increase its blood donations.

If you have questions or would like to volunteer, please contact Denise Garnsey, Volunteer Services Coordinator, at 909-864-6861 extension 203.

Highland Improvement Team -Make a Difference... The Highland Improvement Team will honor this year's Make a Difference Day by hosting a special HIT cleanup on Saturday, October 15. This cleanup will take place at the Highland Sam J. Racadio Library & Environmental Learning Center from 8am to noon. The library was designed with several unique characters,

one of those being a spectacular rooftop garden. Right now, the garden needs the assistance of some helping hands. On this day, volunteers will lend a hand to weed the gardens and trim shrubbery. In addition, a few gardens need to be completely cleared out for a fresh start. Volunteers can make a difference on this day by improving the overall atmosphere of the roof top gardens for our community.

Come out and help "Make a Difference" in Highland. Join us at 8am to register and for instruction. Volunteers are encouraged to bring gloves and hand tools if possible. The City of Highland will provide all other supplies and equipment needed for this cleanup.

If you should have any questions, contact Denise Garnsey, Volunteer Services Coordinator, at 909-864-6861 extension 203.

Residential Cleanups Wanted...The Highland Improvement Team (H.I.T.) is currently accepting requests for residential cleanups. We urge Highland homeowners who need help with yard cleanup and minor landscaping to contact Volunteer Services as soon as possible. Requests are screened and scheduled on a first come, first served basis.

Our mission is to improve the overall environment of our city for all residents and businesses.

Top priority is property cleanup projects for disabled and senior citizens. There are no income eligibility requirements and absolutely no charge to the homeowner. A fabulous team of volunteers complete all work and repair at H.I.T. projects.

Here are the few qualifications:

1. Must be 55 years and older or disabled
2. Must own and reside in your home

The Highland Improvement Team schedules one cleanup per month. Each cleanup requires enough work to fill the allotted four-hour period, usually from 8:00am to noon.

The Highland Improvement Team has scheduled the September project and currently is in the process of verifying the project for October. If you are interested in being the next cleanup or want to know if you qualify, contact Volunteer Services at 909-864-6861 extension 203.
