You're Invited to an Open House!! Join us at Fire Station #3

Volunteer Services

Fire Station #3 Open House. On Saturday, October 9, 2010 the Highland Fire Department invites you to attend Fire Station #3 Open House from 9:00 am to 2:00 pm. Fire Station #3 is located at 7649 Sterling (closest cross street is 9th Street). Stop by and get a tour of the fire station and fire engine.

There will be free blood pressure checks, fire prevention and safety information and more.

Let's get to know the firefighters who protect and serve our community!

For more information, please call 909-884-4100.

Let's Make a Difference... Our next Highland Improvement Team (HIT) cleanup is on Saturday, October 16th in honor of "Make a Difference Day". You can make a difference by joining us on this day to wipe out blight. Our project is graffiti abatement in a residential neighborhood. Graffiti is a big problem everywhere and crime seems to follow. We can do our part to wipe out graffiti in this neighborhood to make it a safer and cleaner place to live.

Anyone interested is welcome to join us on this day. We will meet at City Hall, 27215 Baseline at 7:30 am. The cleanup will last from 8 am to noon with a BBQ immediately following back at City Hall. It should be a hot day, so wear a hat as protection from the sun and wear something that you don't mind getting dirty or painted.

Please remember, volunteers are responsible for their own transportation, as the City does not provide transportation to and from the cleanup site.

Hope to see you all there. If you should have any questions or need more information, please contact Denise Garnsey, Volunteer Coordinator, at 909-864-6861 extension 203.

Library News

Highland ELC is shaking things up! Are YOU ready for the next earthquake? The Highland Sam J Racadio Library and Environmental Learning Center will help you make sure you and your families are prepared! Adults are invited to join the ELC for "R U Ready to Shake?" on Tuesday, October 19, at 5:30 pm in the Science Lab for a presentation

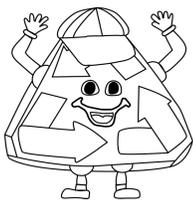

and discussion explaining how earthquakes happen, and how to make sure your family knows what to do in the event of such an emergency.

Patrons of all ages will be participating in the Great California Shakeout on Thursday, October 21 as the largest earthquake drill in the nation shakes things up at 10:21 am. Staff and patrons will Drop, Cover, and Hold On during the drill, evacuate the building through emergency exits, and be welcomed back into a safe environment with free information for all ages.

For more information, please contact Lauren Bergh, Environmental Program Specialist at the Highland Sam J. Racadio Library and Environmental Learning Center at (909) 425-4706 or HGLENV@lib.sbcounty.gov.
