

# City of Highland Weekly Report

October 17, 2014

## Free Used Oil Drain Pans, Filter Buckets, Creepers and Sharps Containers!

### Public Services

**Repete's Wisdom of the Week - FREE Used Oil Drain Pans, Filter Buckets, Creepers and Sharps Containers!** Please visit the City of Highland Public Services Division at booth #18 & #19 during Discover Highland Night on Saturday, October 25, 2014, between 3:00 pm to 7:00 pm in the Lowe's parking lot (27847 Greenspot Rd).

This will be a great opportunity to ask City staff any questions you may have regarding solid waste services, recycling, street sweeping and stormwater pollution prevention. A representative from the San Bernardino County Fire Department's Household Hazardous Waste program will be on hand to answer your household hazardous waste questions and concerns.

For those of you Do-It-Yourself mechanics, we will be giving away FREE used oil drain pans, filter buckets and creepers.

For those of you who have home generated sharps, we will have FREE approved sharps container and information on proper disposal. Feel free to stop by and see us.

For more information please contact the Public Services Division at 909-864-8732 ext. 271.

### **Used Oil Filter Exchange A Success!**

The San Bernardino County Fire Departments Household Hazardous Waste Program and the City of Highland's Public Services Division hosted its first free Used Oil Filter Exchange and Recycling Event at AutoZone on Saturday, October 11, 2014. We are proud to announce 49 participants took advantage of this event and 27 participants were Highland residents.

For those of you who missed the event you may take your used oil and filters for proper disposal to the San Bernardino County Fire Departments Household Hazardous Waste Collection Facility located at 2824 East "W" Street San Bernardino, CA. They are open Monday to Friday from 9:00 a.m. to 4:00 p.m.

Oil filters are composed of steel and are 100% recyclable; if all the filters sold each year in the U.S. were recycled, **160,000 tons of steel would be recovered**. Recycling one ton of filters yields 1,700 pounds of steel, 30 gallons of used oil and saves 10 cubic yards of landfill space. Used oil filters can be recycled

into new steel products, such as steel cans, cars, appliances and construction materials (for example, rebar).

We would like to thank those who participated in helping keep Highland a cleaner and beautiful community! For more information or to get a list of other items you can dispose of at the collection facility please call 909-384-5401.

## Community Development

**Committee and Board Member Appointments:** Welcome aboard Mark Lyons and Tony Mauricio! At the October 14, 2014 City Council meeting, the City Council appointed Mark to the Community Trails Committee and Tony to the Historic and Cultural Preservation Board. Congratulations!

## Inspection Activity

Inspections Performed for August 2014: 43  
Average Number of Inspections per Day: 2

**Due to a severe storm event in August, some of our residents sustained damage to their homes and property.** In an effort to lend a helping hand, the City's Housing Authority staff has made progress in contacting those individuals affected by the rains in August to offer some assistance. The Housing Authority staff has made personal home visits to more than 15 homes. The Housing Authority has two

(2) homeowners in the process of submitting documentation for assistance and three (3) individuals are currently signed up and collecting bids for needed repairs. If you would like to learn more about the Housing Authority's efforts to assist residents impacted by the August storm event, please contact Judith at Ext 213.

## **Volunteer Services**

**Blood Drive Committee!** Mark your calendar...the next Blood Drive Committee Meeting is Monday, November 10, 2014 from 4pm to 5pm at Highland City Hall.

Members meet two weeks prior to each blood drive (bi-monthly) to plan each upcoming drive.

During each blood drive members help with registration and assist donors in the canteen. If you have a few hours to spare and have been thinking about volunteering...look no further...join us!

**Mark Your Calendar!** The next community blood drive is set for Monday, November 24, 2014. The Blood Drive will be at the Highland Police Station (26985 Base Line) from 1:30pm to 6:30pm. Please join us in helping Highland increase its blood donations.

Should you have any questions or like to volunteer, please contact Denise Moreno at 909-864-6861 extension 203.

**Highland Improvement Team - Community Tree Planting!** Join the Highland Improvement Team (HIT) as we assist with planting trees in Highland! Last year the HIT helped plant nine trees along 9th street. This year that number has been increased to fourteen new trees. This project will take place on Saturday, October 18, 2014 from 8am to noon. Please call to sign up or simply join us that morning! All volunteers will meet and register that morning at 27114 Cole Court (Nearest Cross Streets 9th and Palm).

Please contact Volunteer Services at 909-864-6861 ext. 203 for more information or to sign-up for this fabulous community project!

*Please note: Volunteers less than 18 years are always welcome to join us but, must be accompanied by an adult over 18 years of age.*

**Fire Station #3 Open House** - The community is invited to an Open House at Fire Station #3 on Saturday, October 18, 2014 from 9:00am to 2:00pm. Come on down and tour the station house and partake in a hands-on tour of the fire engines. Firefighters will also be offering free blood pressure checks, answering any questions and will provide free fire prevention literature.

Don't miss out...join us and tour your local fire station! Fire Station #3 is located at 7649 Sterling Avenue (just south of 9<sup>th</sup> Street). For more information, please contact the station at 909-884-4100 or Volunteer Services at 909-864-6861 extension 203.

## Finance

**Commercial Business License Applications** - There were no new commercial business licenses for the week of 10/13 to 10/17/14.
