Highland Residents had Success at Discover Highland Night

Public Services

Another Success! During this year's Discover Highland Night the City of Highland's Public Services had a successful night! For those Do-It-Yourself Mechanics, 48 used oil drain pans and filter buckets were provided at no cost with proof of residency. Sharps containers along with program information were also provided to those who generate sharps at home.

We are so excited too see our resident's taking initiative and doing their part to properly recycle their Household Hazardous Waste and protect Stormwater.

For those of you who were unable to attend this year's event, you still have the opportunity to acquire a used oil drain pan. For more information on where to pick up a used oil drain pan and general recycling questions or concerns, please feel free to contact Public Services Coordinator, Andrea Saavedra at ext. 271.

For further information on where and how to dispose of your Household Hazardous Waste, please feel free to call the San Bernardino

County Fire Department Household Hazardous Waste Program at 909-382-5401 or 1-800-oilycat.

Community Development

Newest Member of Community Trails Member sworn in. On July 27, 2010, the City Council declared three (3) vacancies on the Community Trails Committee (CTC) and directed the City Clerk to advertise the vacancies. On September 28, 2010, the City Council reappointed Mr. Michael Haynes and Mr. Julio Silva. In addition, the City Council appointed Mr. Brent Merideth to the CTC. Their terms will expire in October, 2012.

At its October 14, 2010, regular Meeting, City Clerk Betty Hughes swore Mr. Merideth in as the newest CTC Member. He has resided in Highland for six (6) years. This is his first time being a member of a governmental board for the City of Highland and Staff is looking forward to working with Mr. Merideth in his new position and continuing to work with Mr. Haynes and Mr. Silva in theirs. Congratulations, gentlemen!!!

Planning Commission determination: At its October 19, 2010, regular Meeting, the Commission considered the following Items:

1. Special Presentations concerning Green City Projects and Programs and how LEED Standards can work with the new California Green Codes.

The Planning Commission heard Staff's presentation and provided comments accordingly.

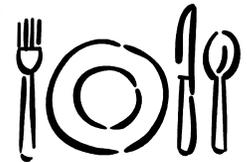

2. Determination that the Inland Valley Development Agency's Plans for the Third and Fifth Street Improvements Project are

consistent with the City of Highland's General Plan, or part thereof, in accordance with Government Code Section 65401. The Project Area encompasses Third and Fifth Streets extending between Tippecanoe Avenue on the west to Victoria Avenue on the east and Tippecanoe Avenue, Del Rosa Drive and Sterling Avenue between Third and Fifth Streets. Representative: Alex Estrada with the San Bernardino International Airport Authority.

The Planning Commission Adopted Resolution No. 010-017 determining the Inland Valley Development Agency's Plans for the Third and Fifth Street Improvements Project are consistent with the City's General Plan, or part thereof, in accordance with Government Code Section 65401.

The Application may now proceed forward in the process.
